

## **WEATHER BULLETIN**

From Our Lady of Joy Parish  
Religious Education Office  
412-795-4389

For Future Cancellations Because of Weather or Emergencies Please Note:

The decision to cancel Religious Education Classes will be made as soon as possible depending on weather conditions.

The catechists will call each child from his/her class as long as time permits otherwise please refer to local news media for cancellation announcements or you may have to use your better judgment to not drive if the road conditions are bad.

When weather changes rapidly and a change of status seems necessary but not yet publicized by the communication channels listed below, the parents may have to make a decision for the safety of their children and choose not to bring them to CCD. If the weather and the roads are bad and you are not comfortable driving then please stay home.

There will be a recorded message on the Religious Education Office phone if there is a cancellation: 412-795-4389.

You may check for cancellations listed as Our Lady of Joy CCD or Our Lady of Joy Religious Classes on the list below including: TV stations, radio stations and/or web sites:
